

2019 18th Annual 4x4 Safari Confirmation

Congratulations. Your registration for the 4x4 Safari has been accepted.

This information packet should answer most of your questions. If not, please visit our website, www.trjc.com, where more information on the club and extensive photos of the trails and past events are available. If you aren't online, call the club phone at 630-717-JEEP or toll free 866-483-3982 if you need additional information.

Proof of liability insurance is required for your jeep while on the trails and you must have a valid driver's license.

We look forward to seeing you in May.

Caytlin Cearlock

4X4 Safari/Blast Coordinator

Two Rivers Jeep Club 4x4 Safari

Two Rivers Jeep Club Trail Guidelines

All of the land used during Two Rivers' events is provided by the generosity and courtesy of private landowners and farmers of Pike County. We therefore require adherence to the following guidelines:

- Abide by the rules, regulations and restrictions set by the Two Rivers Jeep Club.
- Respect all private property rights.
- Be courteous to landowners.
- Trails are to be used only with official trail guides.
- Protect the environment and keep it clean - take your waste and any that you find, with you when you leave the properties.
- Stay on the designated trails. Leave them only if your trail guide permits it.
- Do not harass or disturb livestock or wildlife with excessive noise, such as loud exhaust pipes, yelling, throwing rocks, loud radios and/or honking horns.
- **No pets allowed on trails.**
- Anyone found to be responsible for willful destruction of property will be held accountable for cost of repairs.

Two Rivers Trails

Our trails are rated from 1 (the easiest) to 4+ (the most difficult). These ratings are based on the trail overall, not just on one or two tough spots. Rain, prior to the event or during the trail ride, may increase trail ratings by one or two points. All trails are subject to availability and may be restricted to certain vehicles. All vehicles must pass a tech inspection with varying requirements for differently rated trails. Vehicle requirements are listed on the enclosed Tech Inspection sheet.

Rating 1 & 1+: Intended for those with little or no experience and a stock vehicle.

- **Ridge Rambler (Rated 1)**
- **Poor Boy (Rated 1+)**

Rating 2 & 2+: Intended drivers with little or no experience driving a modified vehicle, or experienced drivers with a stock vehicle.

- **New Salem (Rated 2)**
- **Murphy's Law (Rated 2+)**
- **Dutch Creek Challenge (Rated 2+)**

Rating 3 & 3+: Intended for drivers with experience and a modified vehicle.

- **Lake Shore (Rated 3)**
- **Pokey's Run (Rated 3)**
- **County Line (Rated 3+)**

Rating 4 & 4+: Intended for expert drivers with a highly modified vehicle.

- **Myer's Mayhem (Rated 4)**
- **Mystery Trail (Rated 4+)**
- **Atlas (Rated 4+)**
- **Capps Canyon (Rated 4+)**

**Trail descriptions, ratings, and availability are subject to change.
Updated trail information will be available during check-in.**
